No Need To Be Thin,  
Scrawny or Sallow

If you are thin and want to be plump;  
if you have wrinkles in your face that you  
are not proud of; if the skin is sallow or  
subject to pimples or blackheads, take Mi-  
nu-stomach tablets for two weeks and  
notice the change.

The majority of the thin people are thin  
because the stomach does not perform its  
duties properly. It is not secreting suffi-  
cient of the natural digestive juices and in  
consequence does not extract from the food  
enough nutritive matter to nourish every  
part of the body.

Minu-stomach tablets are intended to  
build up the stomach so that it will act  
properly and extract from the food the  
elements necessary to form flesh.  
If you are thin try two weeks' treatment  
of Minu-stomach tablets—they are small,  
easily swallowed and are sold on the  
guarantee of money back if they do not  
overcome chronic indigestion, acidity or  
chronic, stop stomach disturbance, belch-  
ing, heartburn, sour stomach, and any  
after dinner distress.

**Bad Case of Catarrh  
And Kidney Troubles  
Relieved With Nu-Vim**

Mrs. Catharine Cabarado, of 309  
Pulaski St., Baltimore, Md., writes  
and sends this letter to the Nu-Vim  
Drug Co., of Columbus, Ohio, and said:  
"I have suffered awfully with kidney  
and catarrhal troubles of the bowels,  
and had pains in my back all the  
time, and my stomach was so weak  
I could hardly retain anything in it  
without suffering terribly with bloating  
pains and gas accumulating. I saw  
in the papers where Nu-Vim was doing  
so much for others, decided to try it,  
and I must say I was so pleased with  
the results and my improvement made  
me feel so different that I wanted to  
tell you that I can do my own work  
with pleasure after using your won-  
derful tonic, and I want to thank you  
for giving such medicine to the pub-  
lic, and surely will recommend it  
to all my friends."

### WOMAN'S CITY CLUB HEARS MRS. JOSEPHUS DANIELS

At a meeting of the Woman's City  
Club of Washington held last night  
in its new home, 22 Jackson place  
northwest, Mrs. Josephus Daniels,  
wife of the Secretary of the Navy,  
made a speech in which she outlined  
her idea of what the membership  
should consist of and the policy the  
organization should adopt and main-  
tain.

She emphasized the necessity of  
broadness of view on all subjects,  
which is imperative, she explained,  
because of the fact that practically all  
States of the Union will be repre-  
sented on the club's roster.

Mrs. George Eastment, chairman of  
the membership committee, reported  
that the drive for 1,500 members be-  
fore November 15 had been success-  
ful, many more than that number hav-  
ing already enrolled.

TO DISCUSS "SAFETY FIRST."  
Methods for preventing accidents on  
the streets of Washington will be dis-  
cussed at a meeting of the Washing-  
ton Safety First Association, to be  
held at the Public Library, Ninth and  
K streets northwest, tomorrow night  
at 8 o'clock.

### DEMOCRACY SO DANGEROUS, PASTOR TELLS CITY CLUB

The aim of every true-blooded  
American should be, not to make the  
world safe for democracy, but to  
make it safe for the people who live  
in it, according to the Rev. Dr. John  
Britton Clark, pastor of the First

Presbyterian Church, who addressed  
the City Club at its weekly luncheon  
yesterday afternoon.  
"Autocracy, the rule of the few, is  
dangerous," said Dr. Clark. "Democ-  
racy, the rule of all, likewise has its  
perils. The golden mean is the re-  
public, where the people have a choice  
in the selection of representatives,  
but where those representatives are

given the freedom to decide momen-  
tous questions according to the dic-  
tates of their own sense of right and  
justice, unmoved by the wavering mob  
spirit of the moment. In the repub-  
lican ideal lies the happy medium for  
preserving the balance between au-  
tocracy and democracy, and what this  
nation needs is to be swung back to  
its old-time faith in the principle of  
an American republic."

**SEE STATE MAKE MINES PAY.**  
FARGO, N. D., Nov. 13.—Leaders of  
the Non-Partisan League today  
claimed North Dakota's league gov-  
ernment will be able to meet the  
miners' demands in State operation of  
the mines, pay the mine owners'  
royalty, and still make a profit. Mine  
owners recently claimed they could  
not meet the miners' demands. Nego-

tiations to prevent a strike failed.  
The State, by proclamation of Gov-  
ernor Frazier, took over operation of  
the mines.  
**STEAK BRINGS FIREFIGHTERS.**  
WAUKEGAN, Ill., Nov. 13.—The fire  
department was called to the home of  
Theodore Blech. Blech was burning  
a steak in an oven. The steak, unin-  
sured, was a total loss.
